Thank you for this beautiful sunny day.

**Spencer:**

Please help us to enjoy every moment of every day and to see the positive in every experience.

**Erin:**

Thanks for the people gathered here who come from different cities, countries and cultures.

**Spencer:**

Help us to be open and willing to listen to one another. Grant us the patience to learn the different cultural contexts from where our many participants come. Help us to make new friends and learn from each other.

**Erin:**

Thanks to MDRT, The Premiere Association of Financial Professionals.

**Spencer:**

Help us to be contributing members of this organization— to develop mutual goals and further the aims of MDRT. Help us to understand that leadership is action, not position.

**Erin:**

Thank you for our lives and for what we have – education, jobs, homes, and our material possessions.

**Spencer:**

Help us to remember to preserve and conserve our natural resources. Help us to realize that freedom is not constituted primarily of privileges but of responsibilities.

**Erin:**

Thank you for our families.

**Spencer:**

Protect our family members and keep them from harm. Help each of us as family members to grow in maturity, in character, in wisdom and in appreciation of each other's gifts.

**Erin:**

This is the day the Lord has made.

**Spencer:**

Help us to be open to people and ideas and give us the courage to implement new ideas. Be with us every step of the way. Guide us today and all our tomorrows to do the things that please you. Help us to understand that it is only by serving others in your name that we can find love, peace and joy.
